

DARDS
Clarendon County #1
Estimated Timber Volume and Value Summary
4/9/2015

98 Wooded Acres

Product	Tons/Acre	Total Tons	Price per Ton	Value per Acre	Total Value
Pine Sawtimber	38	3720	\$25	\$950.00	\$93,000.00
Chip N Saw	6	572	\$18	\$108.00	\$10,296.00
Pine Pulpwood & Tops	31	3040	\$14	\$434.00	\$42,560.00
Hardwood Pulpwood	7	657	\$12	\$84.00	\$7,884.00
Total	82	7989		\$1,576.00	\$153,740.00

Volumes are derived from a fixed radius plot cruise completed in April of 2015 by AFM - Sumter District Personnel using standard inventory methods.

******Reasonable care was taken in the collection and computation of field data to determine the volume estimates as shown. However, these volumes represent a statistical sample of the forest products occurring over the entire area inventoried and cannot be guaranteed. Values are based on recent timber sales as of the date this information was compiled and are subject to change without notice. ******
